What is the Narcotics Anonymous Program?

NA is a nonprofit fellowship or society of men and women who have had a major problem recovering from drug addiction. Our program is light enough so anyone can easily follow it. We meet regularly to help each other stay clean and share our experience, strength, and hope with others who are recovering from drugs. This is a program of complete abstinence from all drugs, in any form, for all purposes. All are welcome to attend. NA is a fellowship and all our meetings are open to anyone who has a desire to end their chemical dependency on drugs. There are no strings attached to NA. We are not affiliated with any group, political, religious, or law enforcement organizations. There is no initiation fee or dues. There are no promises to make to anyone. We are not interested in what or how much you used or who your connections were, what you have done in the past, how much or how little you have, but only in what you want to do about your problem and how we can help. The newcomer is the most important person at any meeting. We can only keep what we have by giving it away. We have learned from our group experience that those who keep coming to our meetings regularly stay clean.
